Invite your guests to bring 3 ingredients to this unique dining experience. Ingredients you want to challenge the chef with or you just want to know what to do with. It's up to you. Ultimately you have an input in the final feast the chef creates from those ingredients

Whatever the occasion, this format is a tried and tested crowd pleaser.

“We all had a wonderful time and were in awe of the meal you cooked for us from such a variety of ingredients. “

(Price is £30 a head. All costs are exclusive of alcohol and venue hire, but we would be happy to arrange)
